## Experience

---

### Vocational.....

**Center for Economic Research at NTNU** **Trondheim**  
*Researcher* 2021–  
Employed full-time doing project based research on economic topics such as local government investment spending. Clients include The Norwegian Association of Local and Regional Authorities and The Norwegian Agency for Local Governments.

**Norwegian School of Economics** **Bergen**  
*PhD Research Scholar* 2017–2021  
Full-time employee working at the department of Economics working on my dissertation in environmental and resource economics. Part of the job involves grading exams and assisting professors with courses.

**Centre for Applied Research at NHH (SNF)** **Bergen**  
*Research Assistant* 2015–2017  
Collecting, organising and presenting data for research purposes. Worked part time during the semesters and full-time during the summer of 2016.

### Volunteer Work.....

**International Association of Energy Economics** **Bergen**  
*Volunteer* Summer 2015  
Contributed to the 39th IAEE 2016 conference at NHH in Bergen in the summer of 2016, along with several other member of NHHS Energi. Our group was responsible for practical matters during the conference. This included tasks such as supervising the technical equipment during presentations and plenary discussions. We also helped other groups with tasks.
